

NEW

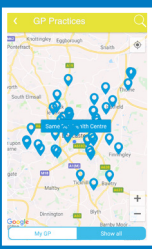

Choose well in Doncaster

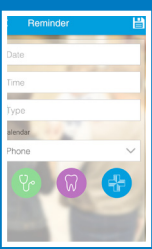

A **new app** is available to help you choose the right NHS service for your health and care needs. Many people automatically go to urgent care centres, including the Emergency Department, but there are a number of options available in Doncaster.

The **Choose Well Doncaster App** is available to download from Google Play and Apple App Store, providing health and care information at your fingertips. It will help you decide which service you require, when it should be used, and where to find it.

The app signposts patients to nearby NHS services and shows the locations on an interactive map.

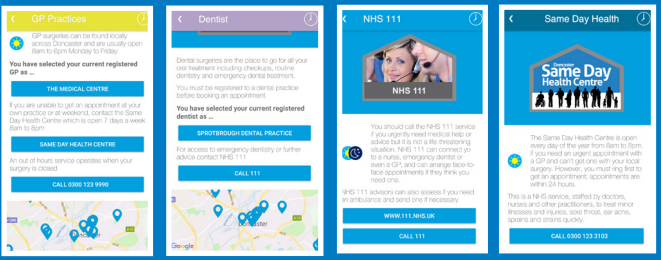

The app can also remind the user of future health appointments.

Services included in the app:

- GP Practices
- Pharmacies
- Dentists
- Minor Injuries Unit
- NHS 111 (phone and online)
- Same Day Health Centre
- Sexual Health
- A&E (or Emergency Department)

Visit Google Play or the Apple App Store now and search 'Choose Well Doncaster'.
